

How to make a POP-UP card

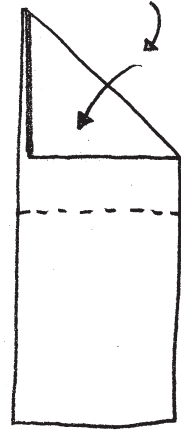

Then OPEN UP and fold in half THIS way.

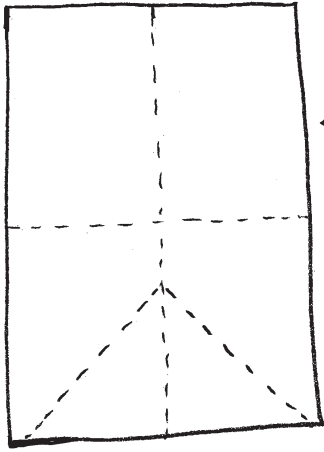

Fold down corner A ...

... to corner B, like this.

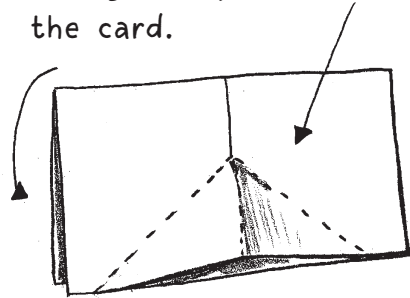

OPEN up your paper so you have all these FOLDS.

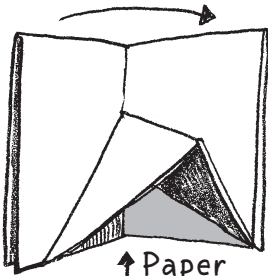

FOLD in half so your triangle shape is inside the card.

This bit is fiddly!
You need to make

your triangle shape fold UPWARDS

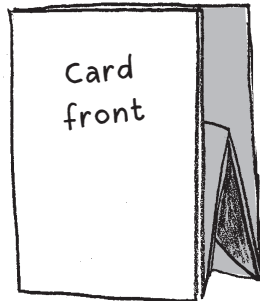

↑ Paper folds UP

inside your card.

Use the paper folds to help you.

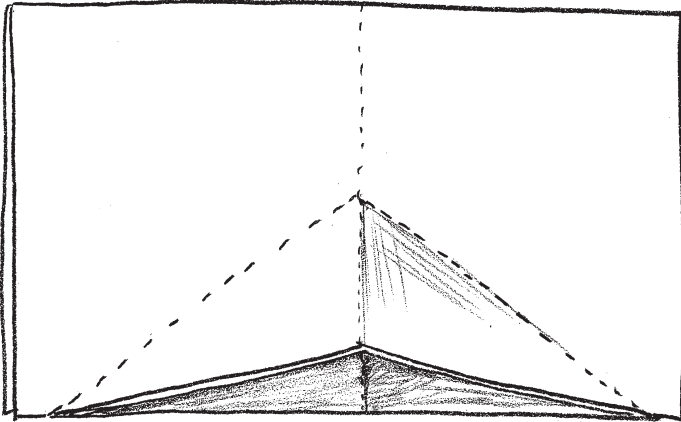

Your card should look like this when you fold it closed.

Then decorate your card. →

Fold inside

Here's the inside of the card with
your triangle POP-UP.

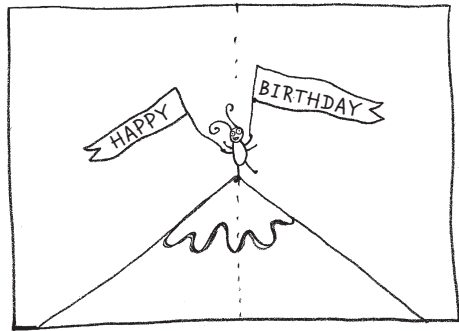

If you draw an arrow ON the triangle,
it will look like it's popping up.

Here's an ant on the front of the card!

Then inside use the TRIANGLE shape like a mountain!

Here's a thank-you card idea too.
