

IDEAS Everywhere

Polly Dunbar

Lets write
a STORY!

How do we
do that?

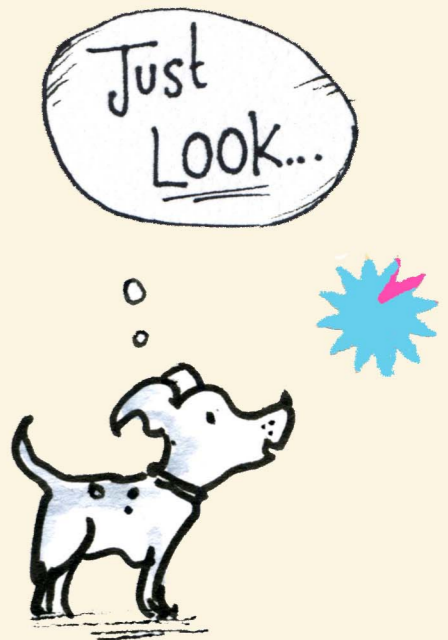

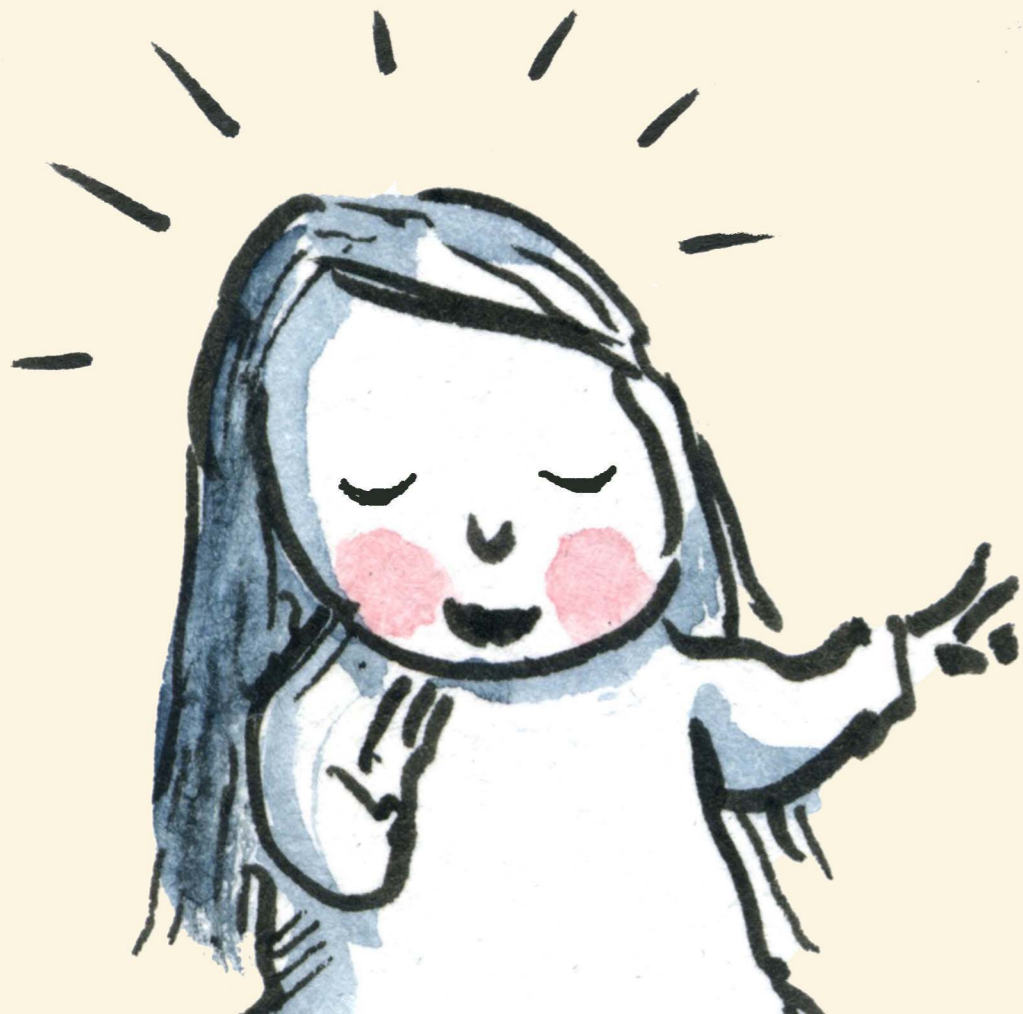

I'll
help.

First we need
an
IDEA

But where
do ideas
come from?

Ideas
are...

...here

...there

...and...

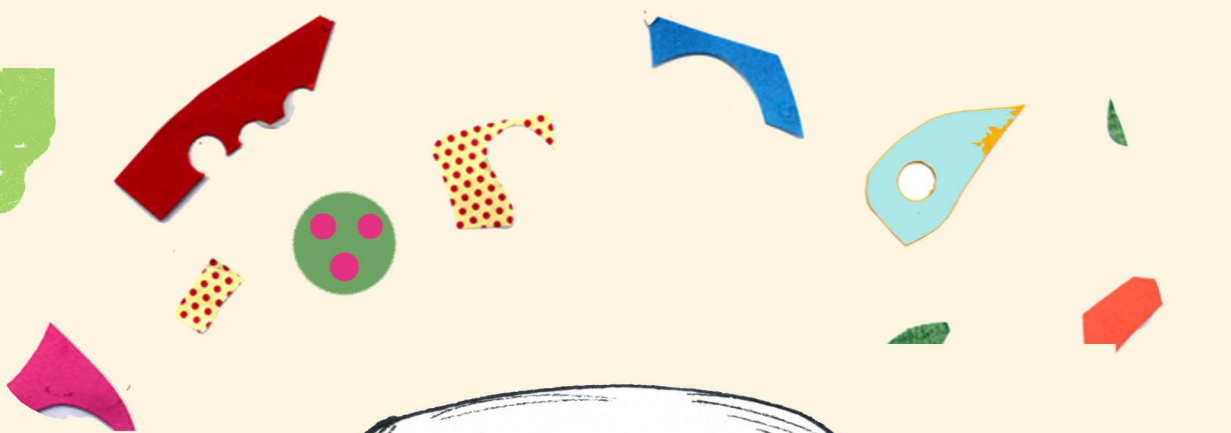

...everywhere!

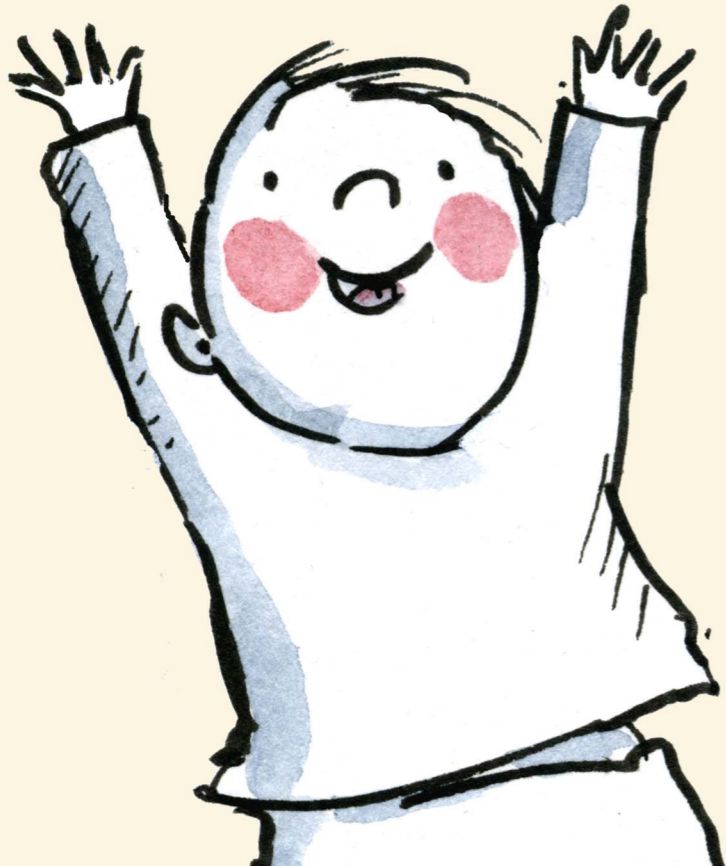

But how do you catch them?

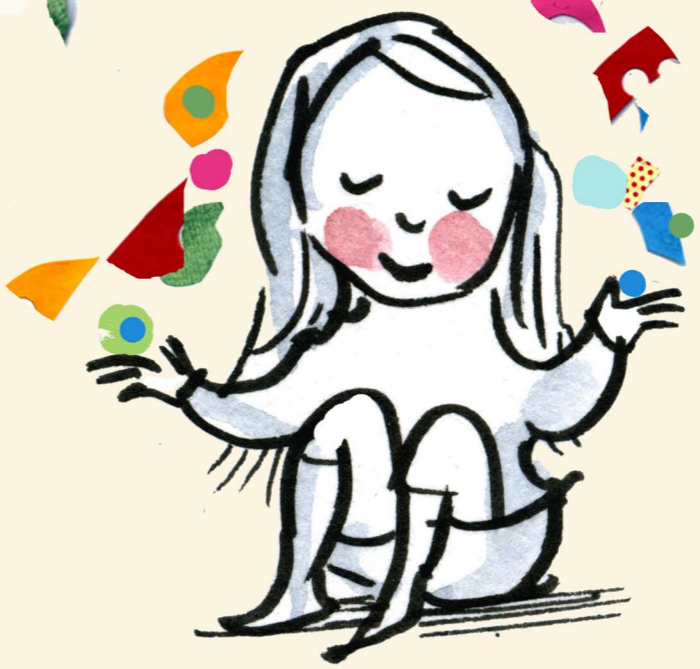

...Let's snatch
and
Grab!

I'm going to
sit quietly and
let them come
to me.

Grrr...

I like to
dig

Look, it's a good idea!

It's my idea!

You can share!

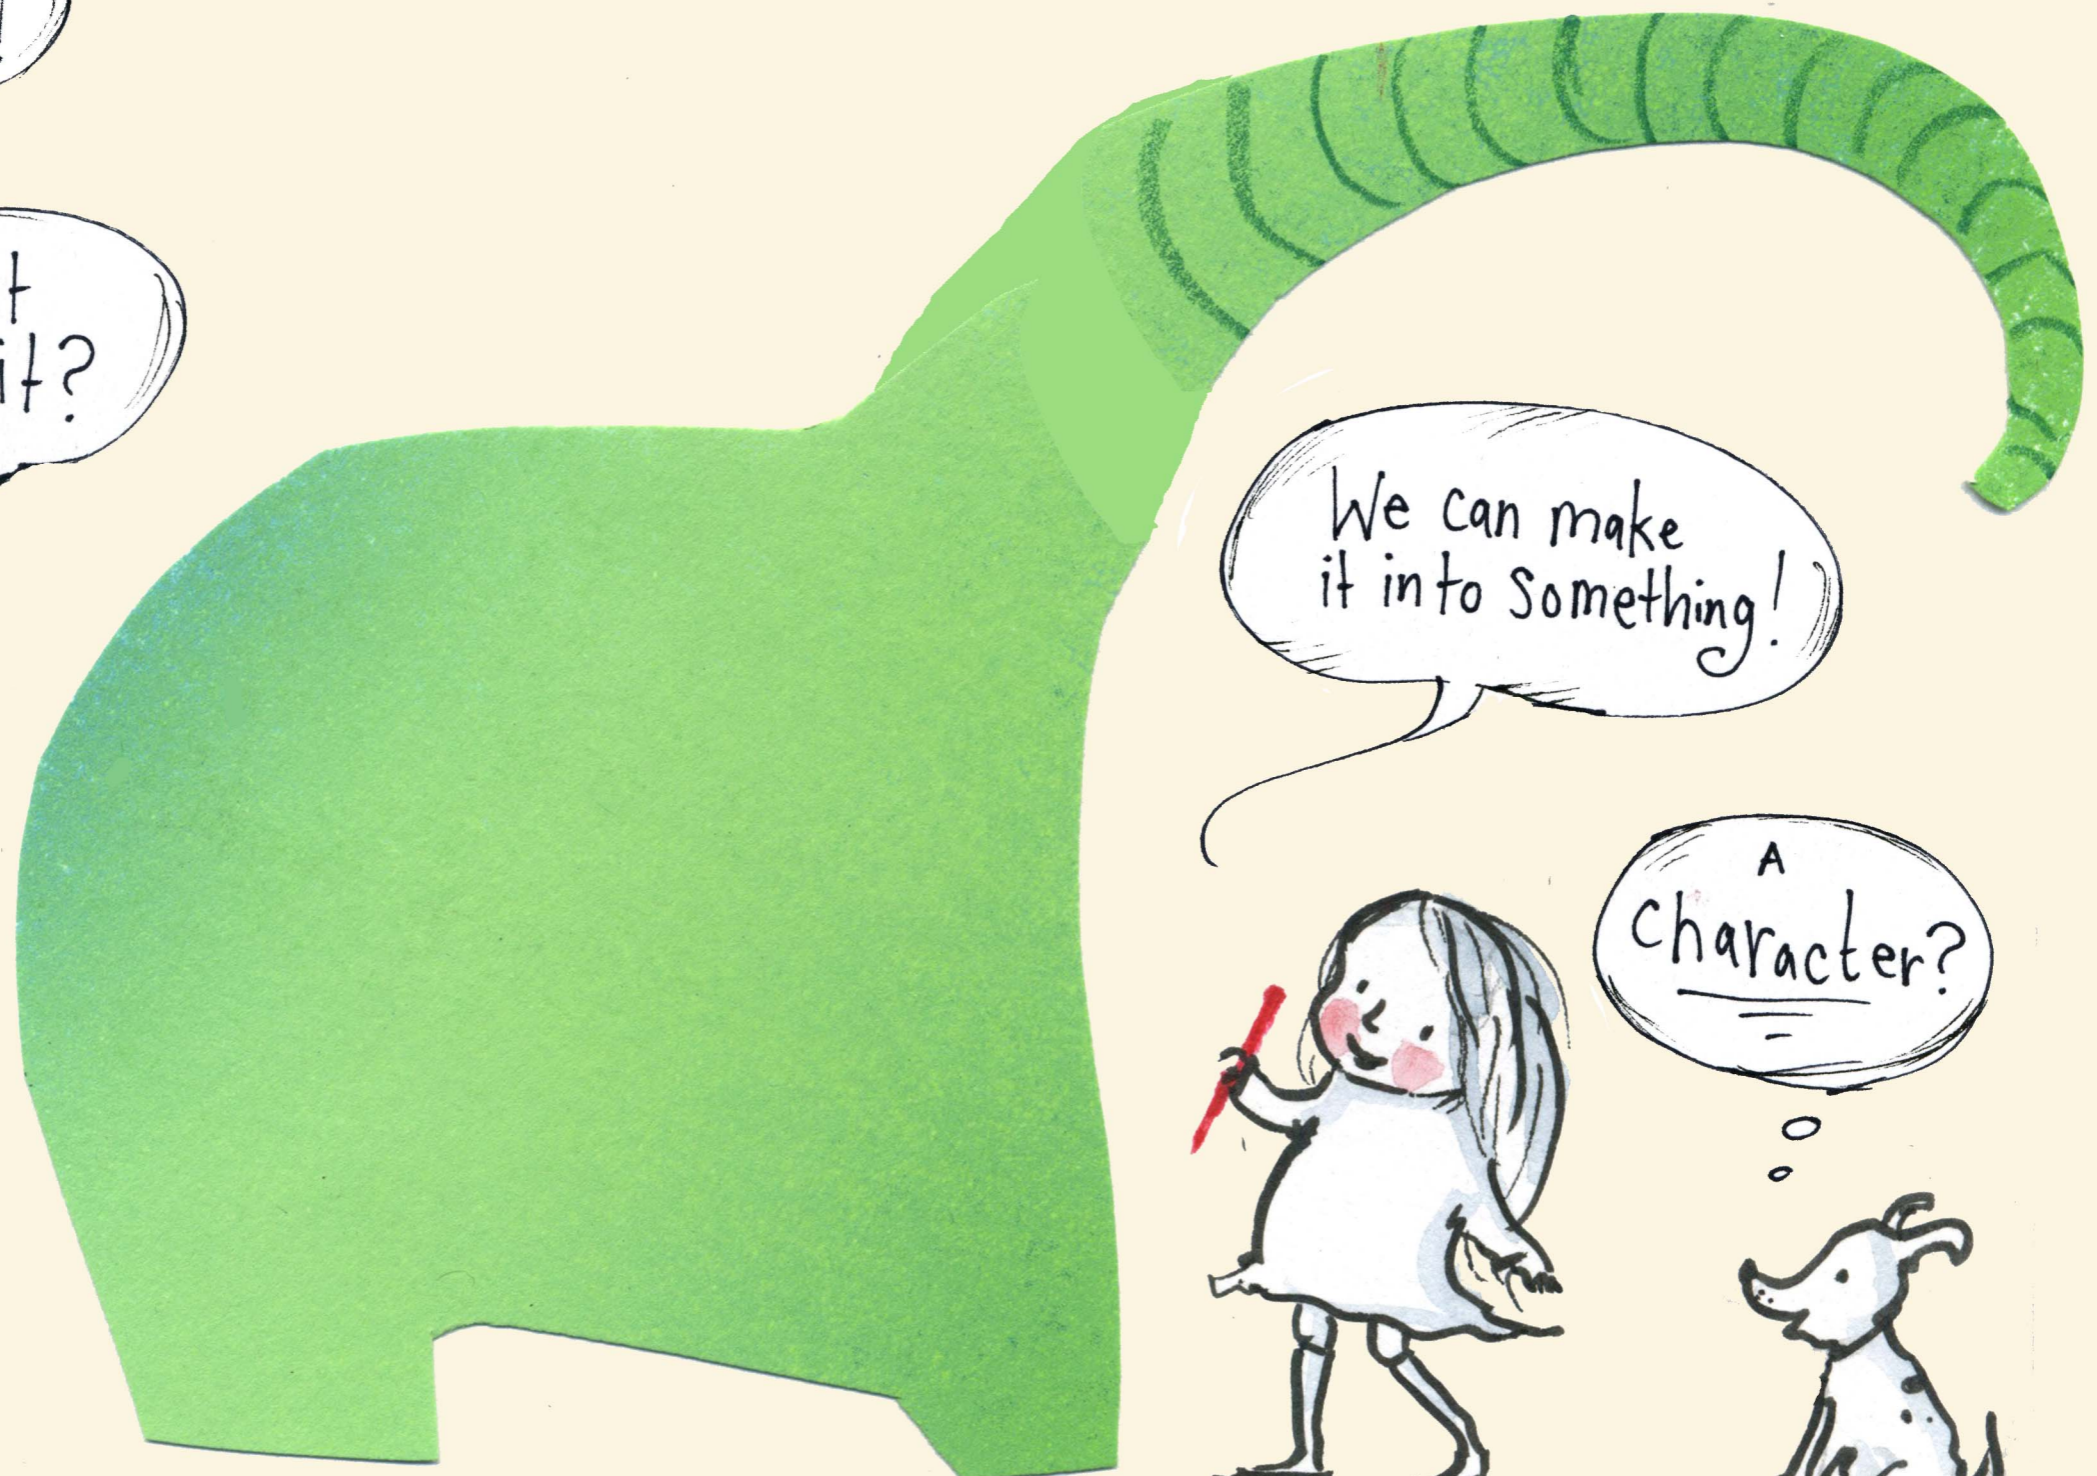

It's brilliant!

What is it?

We can make it into something!

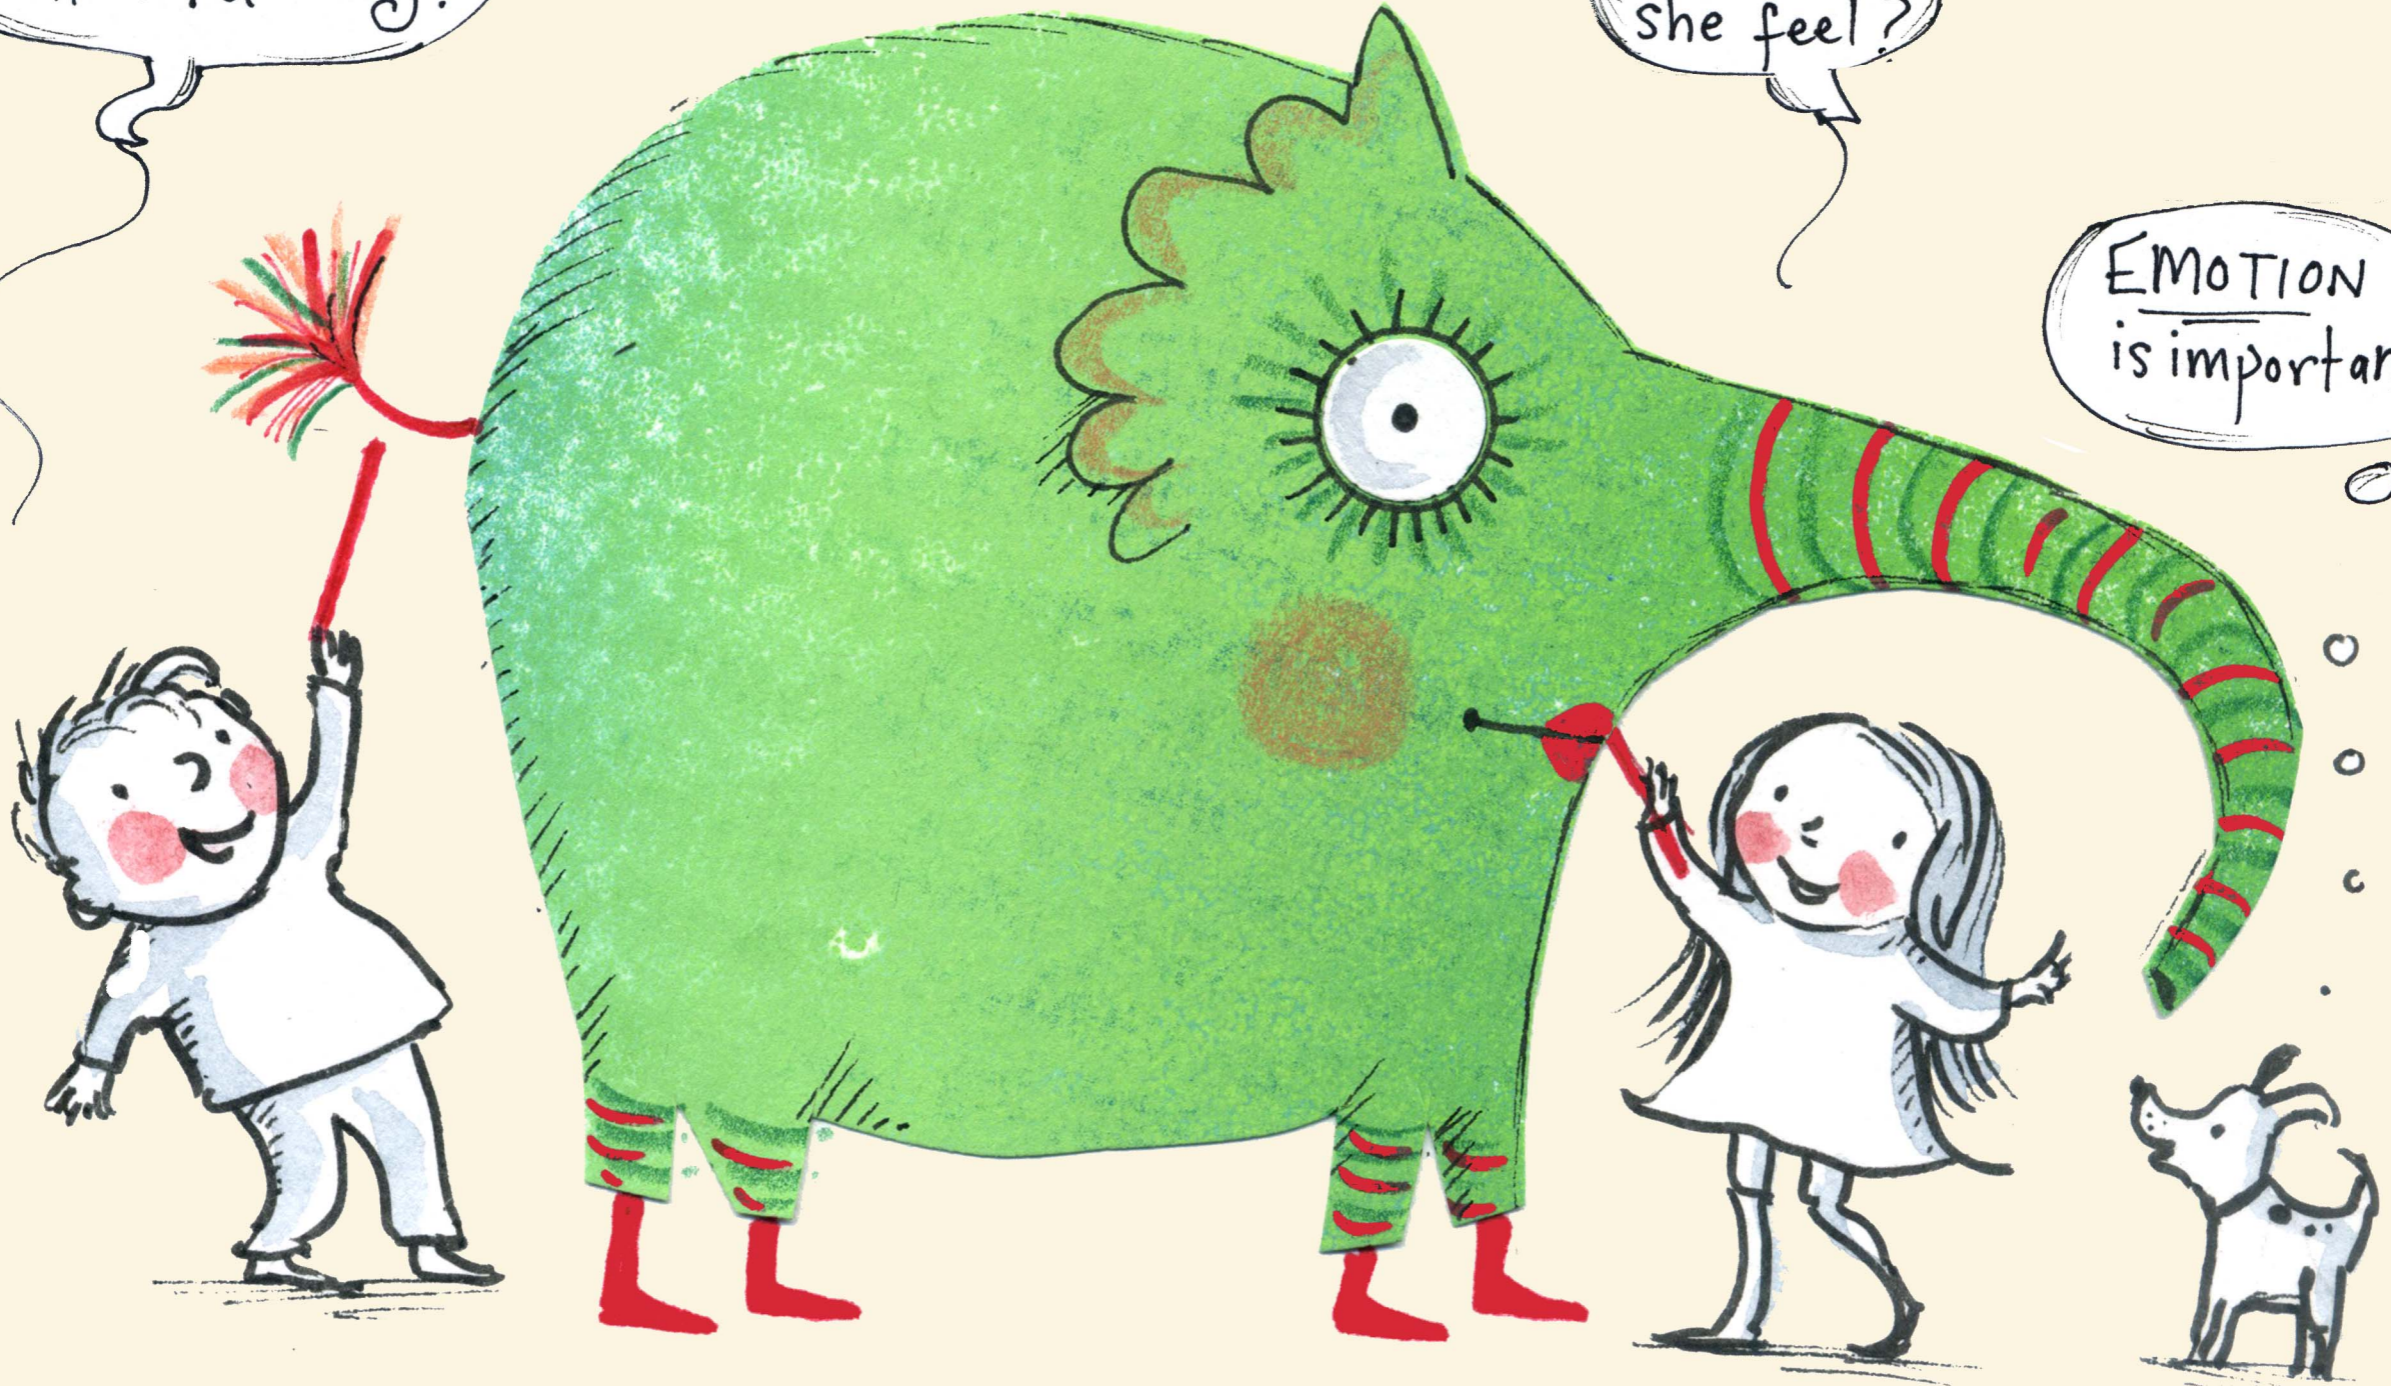

A Character?

Wow! She's extraordinary!

How does she feel?

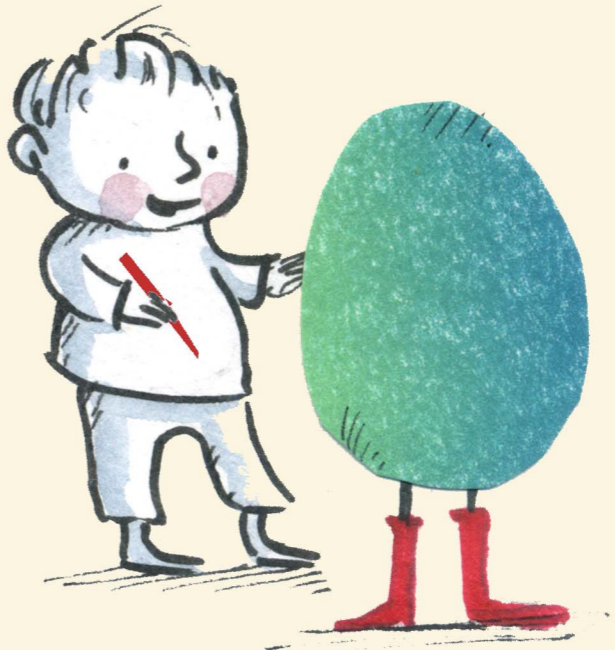

EMOTION is important.

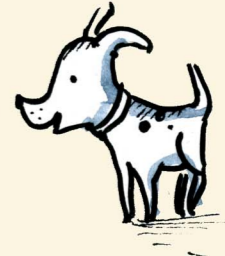

She feels lonely
because she's so
extraordinary

She needs
a friend.

Is it a good egg
or a bad egg?

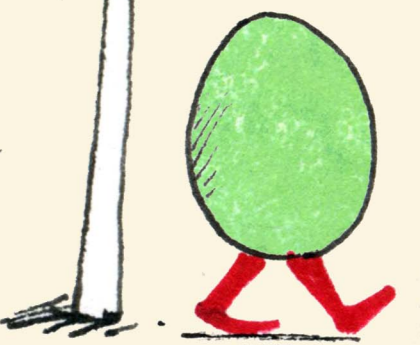

Off we go!

THE BEGINNING

Now we need a LOCATION.

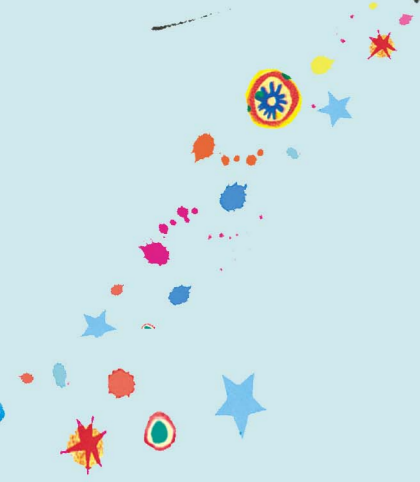

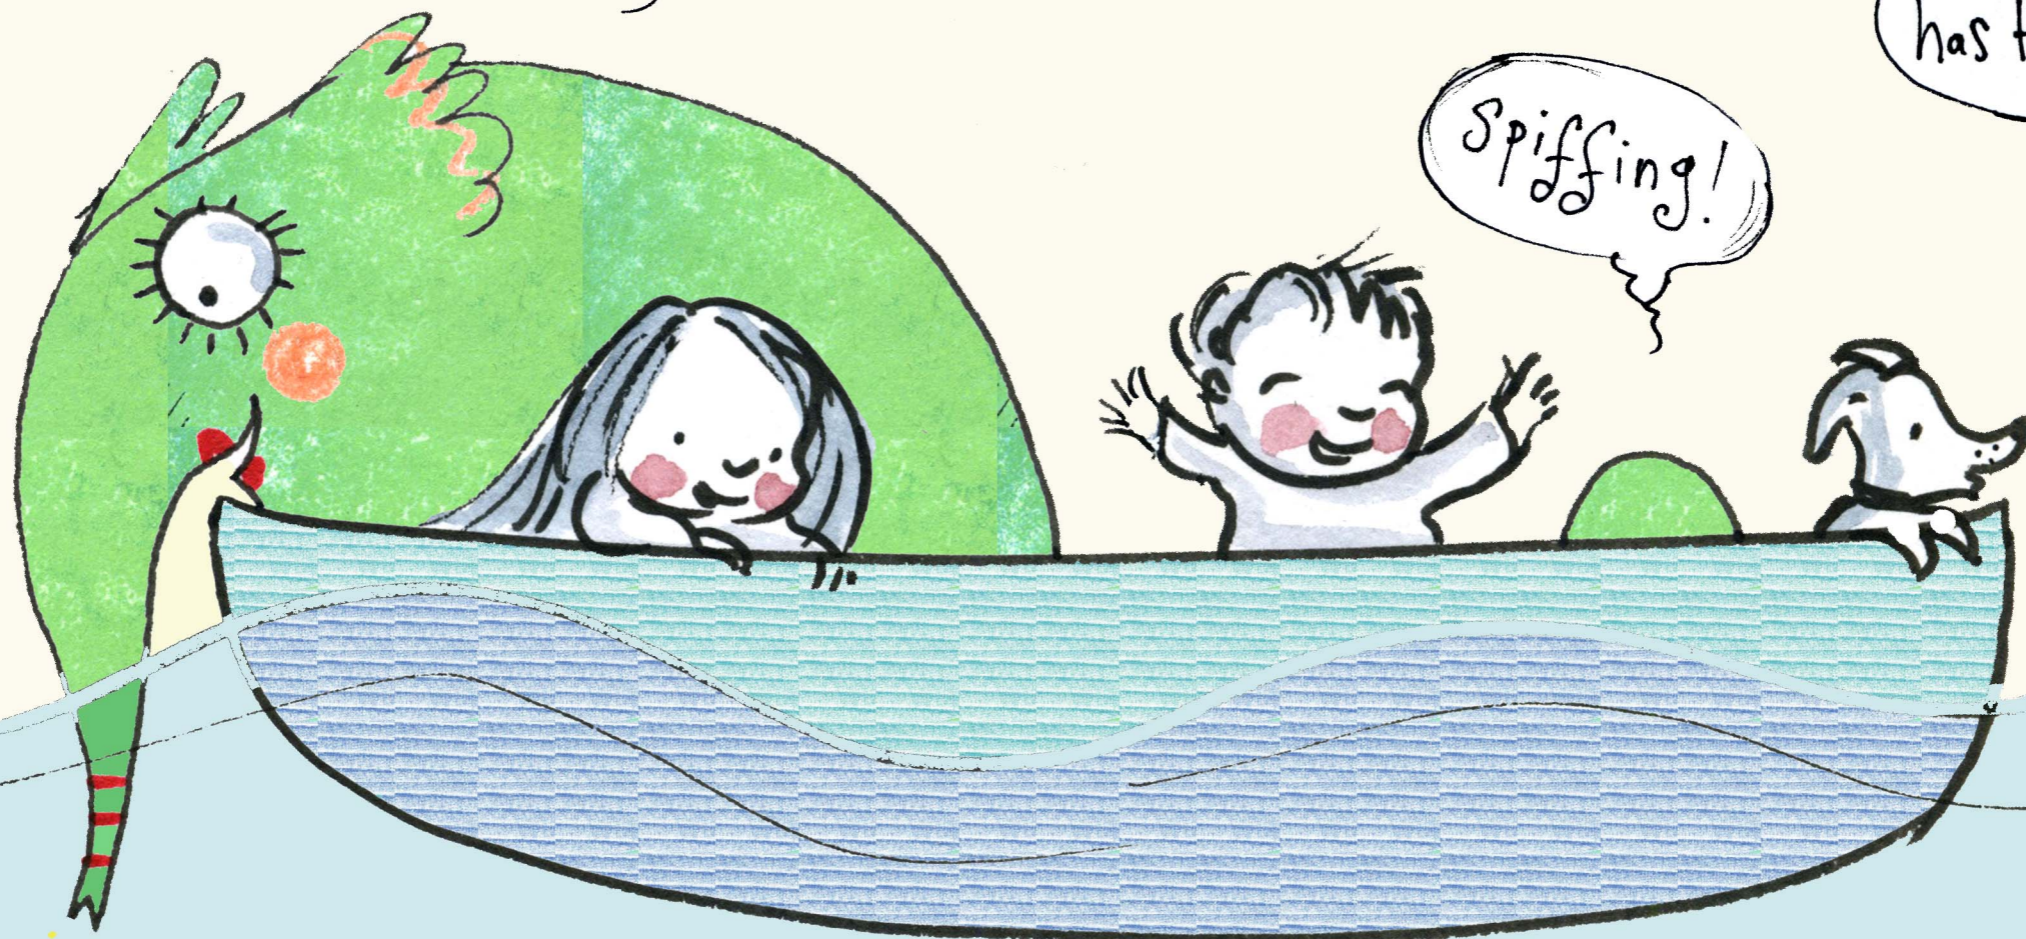

We're at sea!

Hurray!

Hang on
We're too happy

Something
has to happen!

Spiffing!

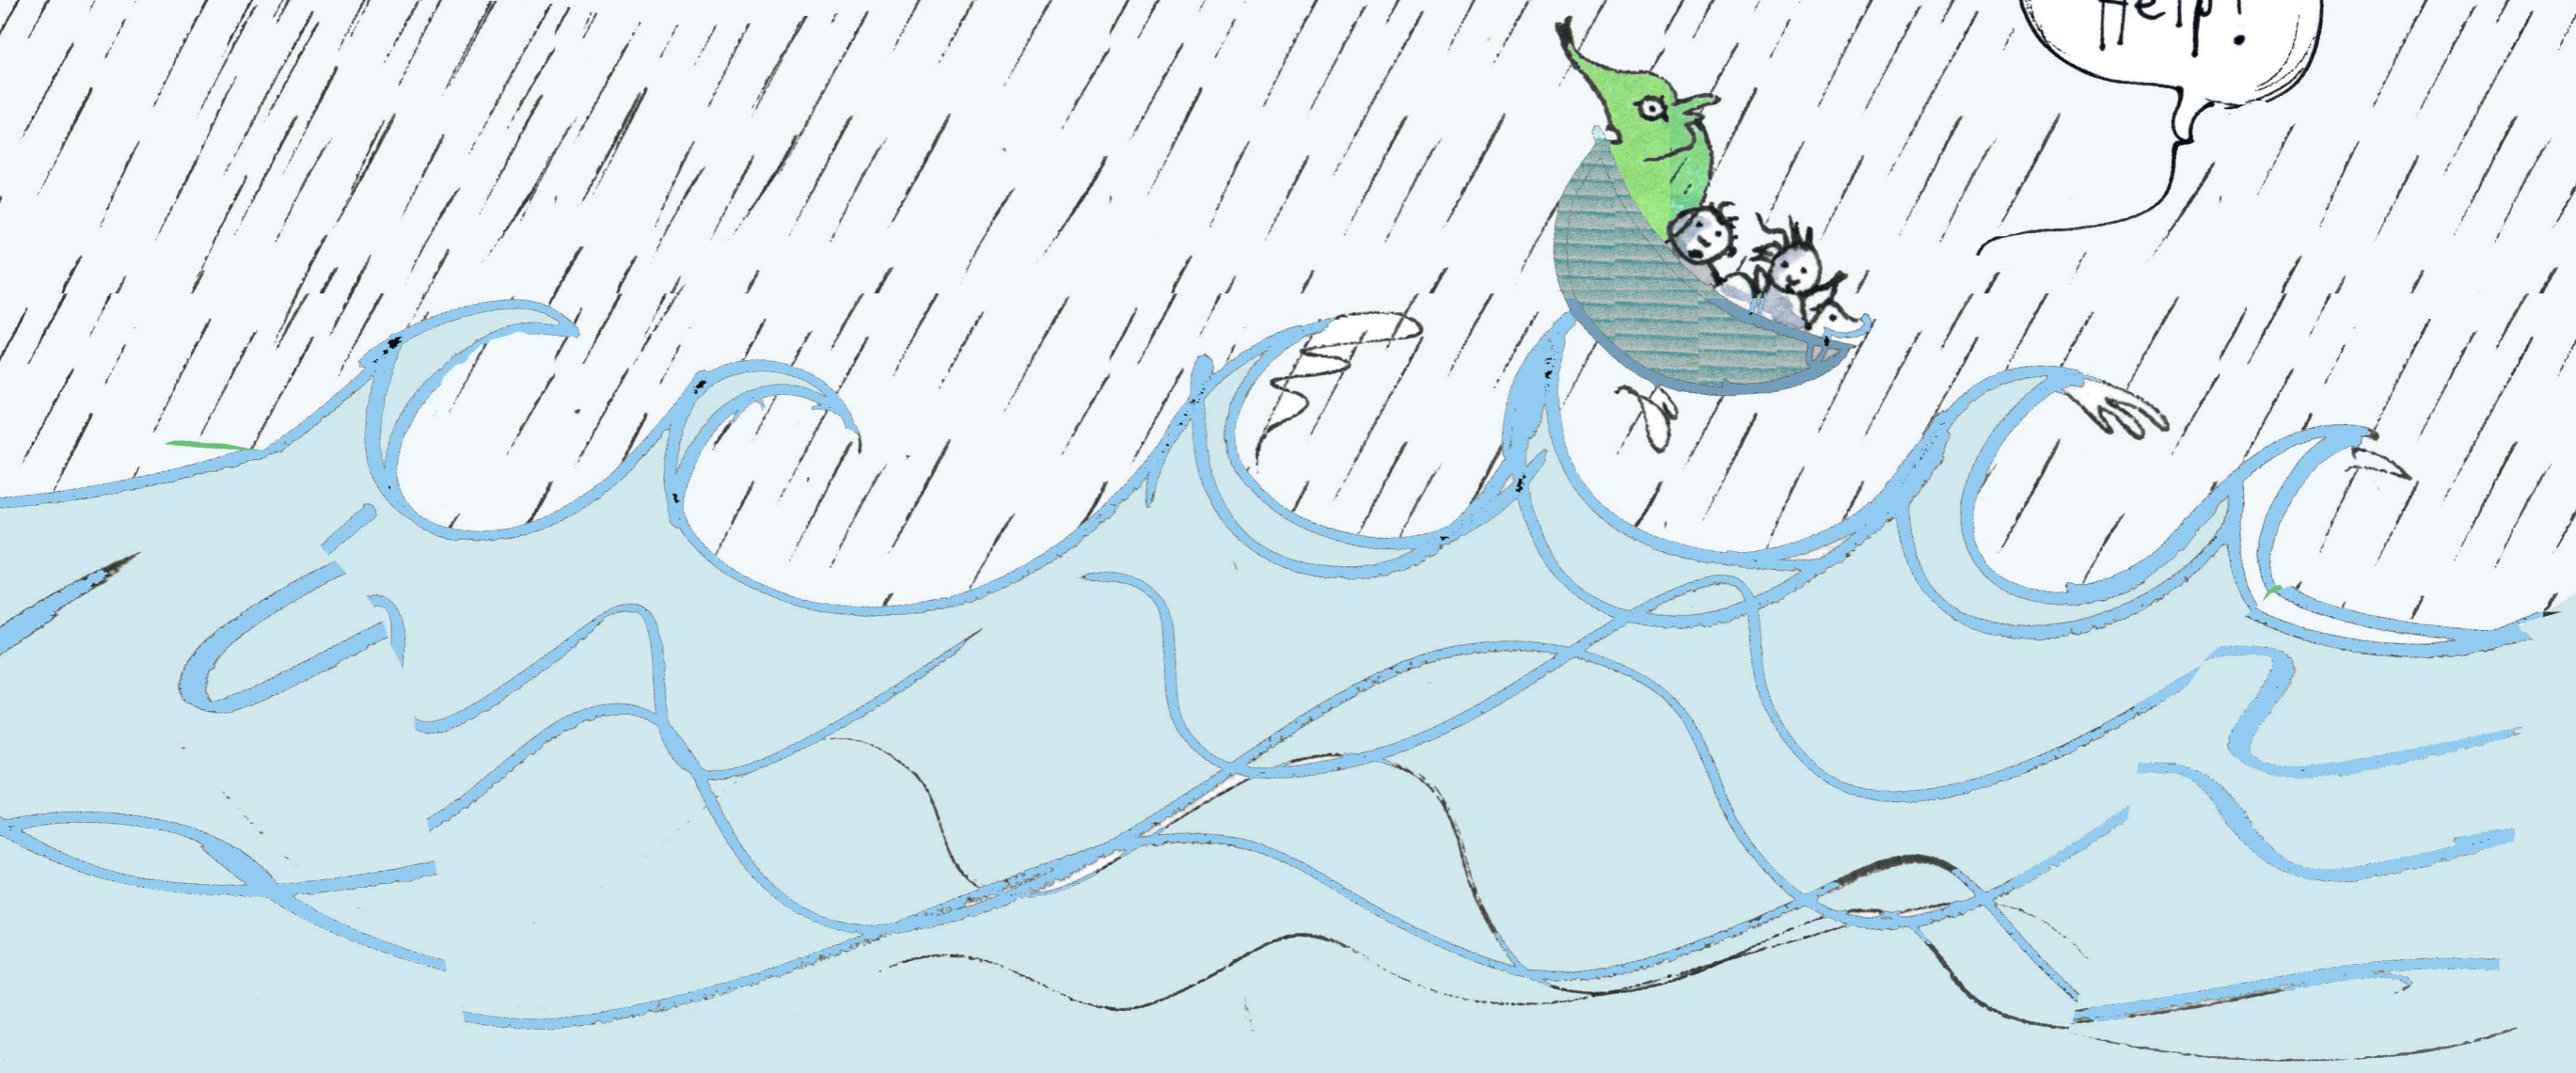

... We need
CONFLICT!

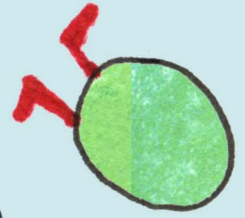

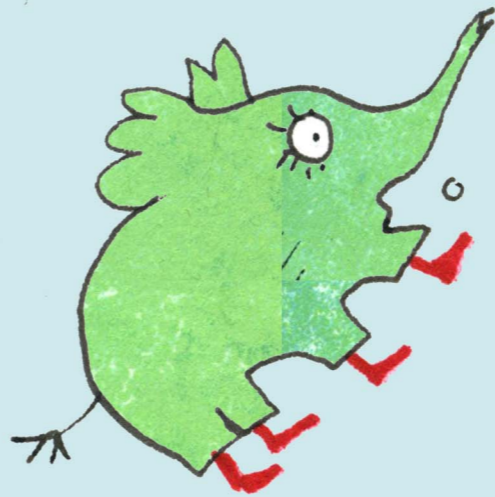

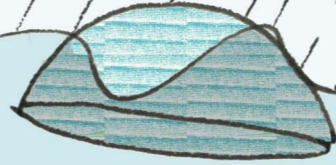

Who's silly idea
was this?

This is a
rubbish story

Help!

...and a DILEMA!

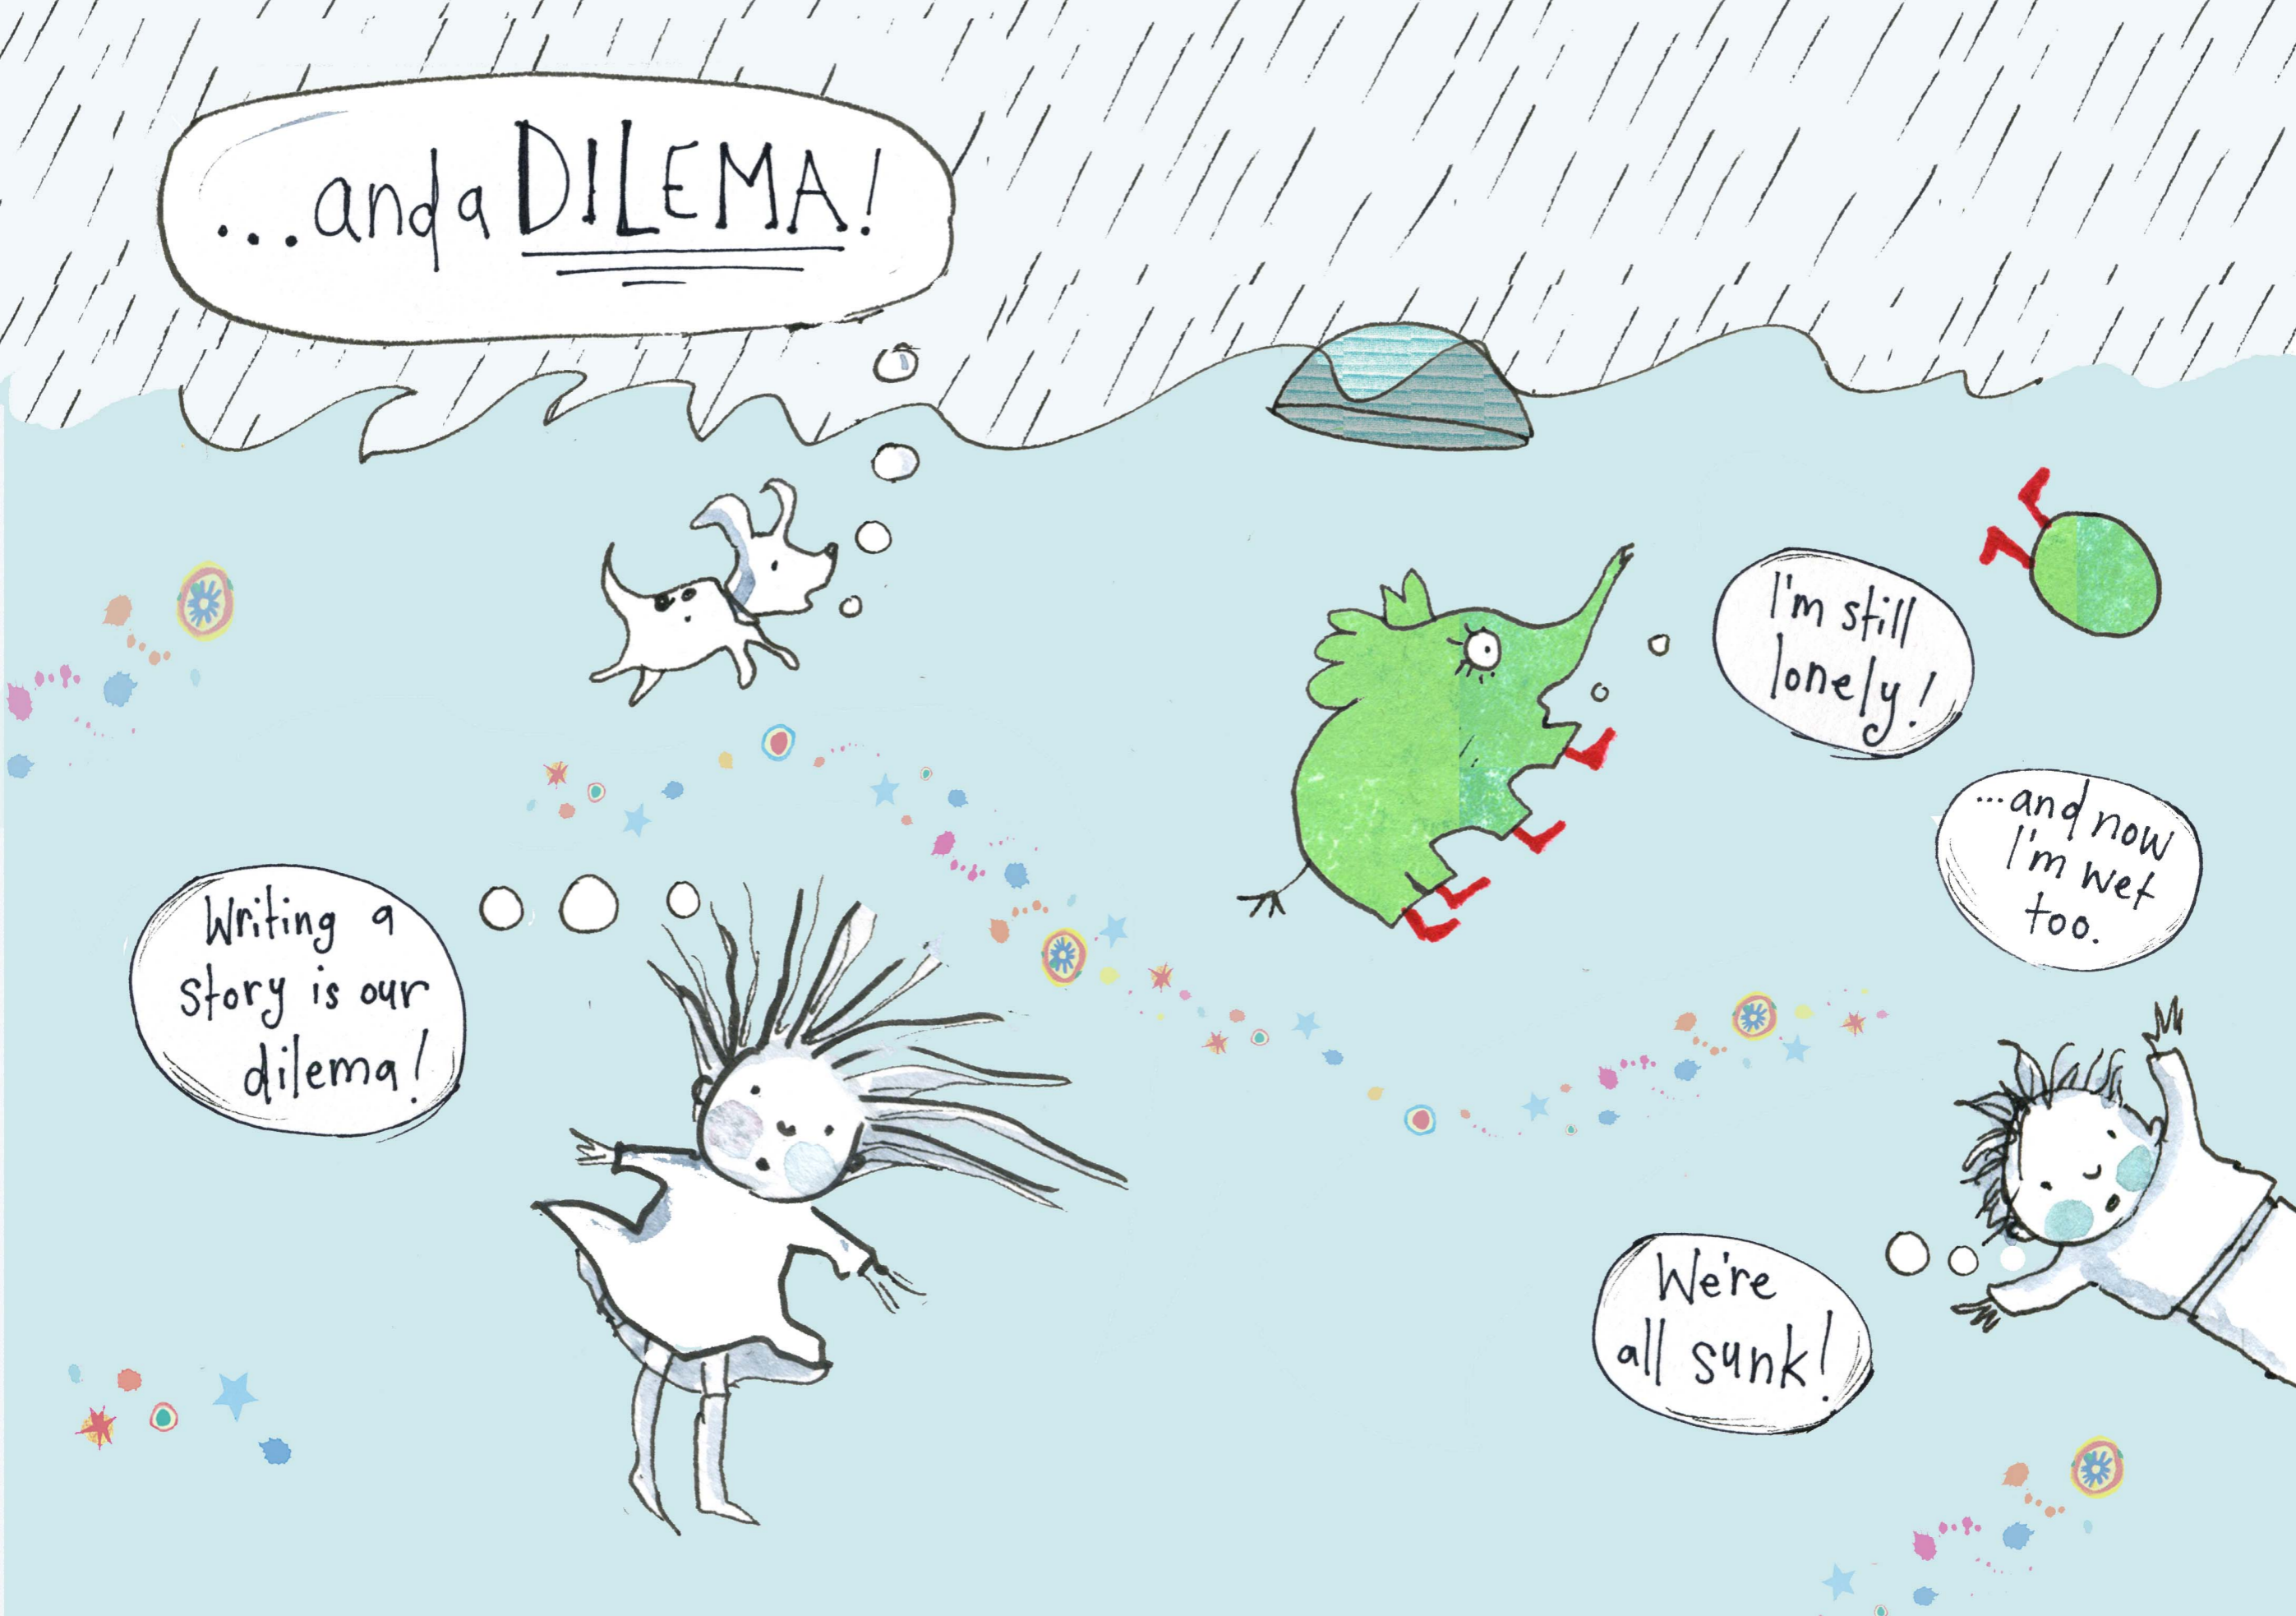

I'm still lonely!

...and now I'm wet too.

Writing a story is our dilemma!

We're all sunk!

Look! We've reached
the middle of
our story!

Now
What?

It's a
turning Point

We need
another idea!

Wow! There are loads of great ideas down here!

I've caught a really big idea.

It's a
FISH!

It's a
ROCKET

It's our
RESOLUTION!

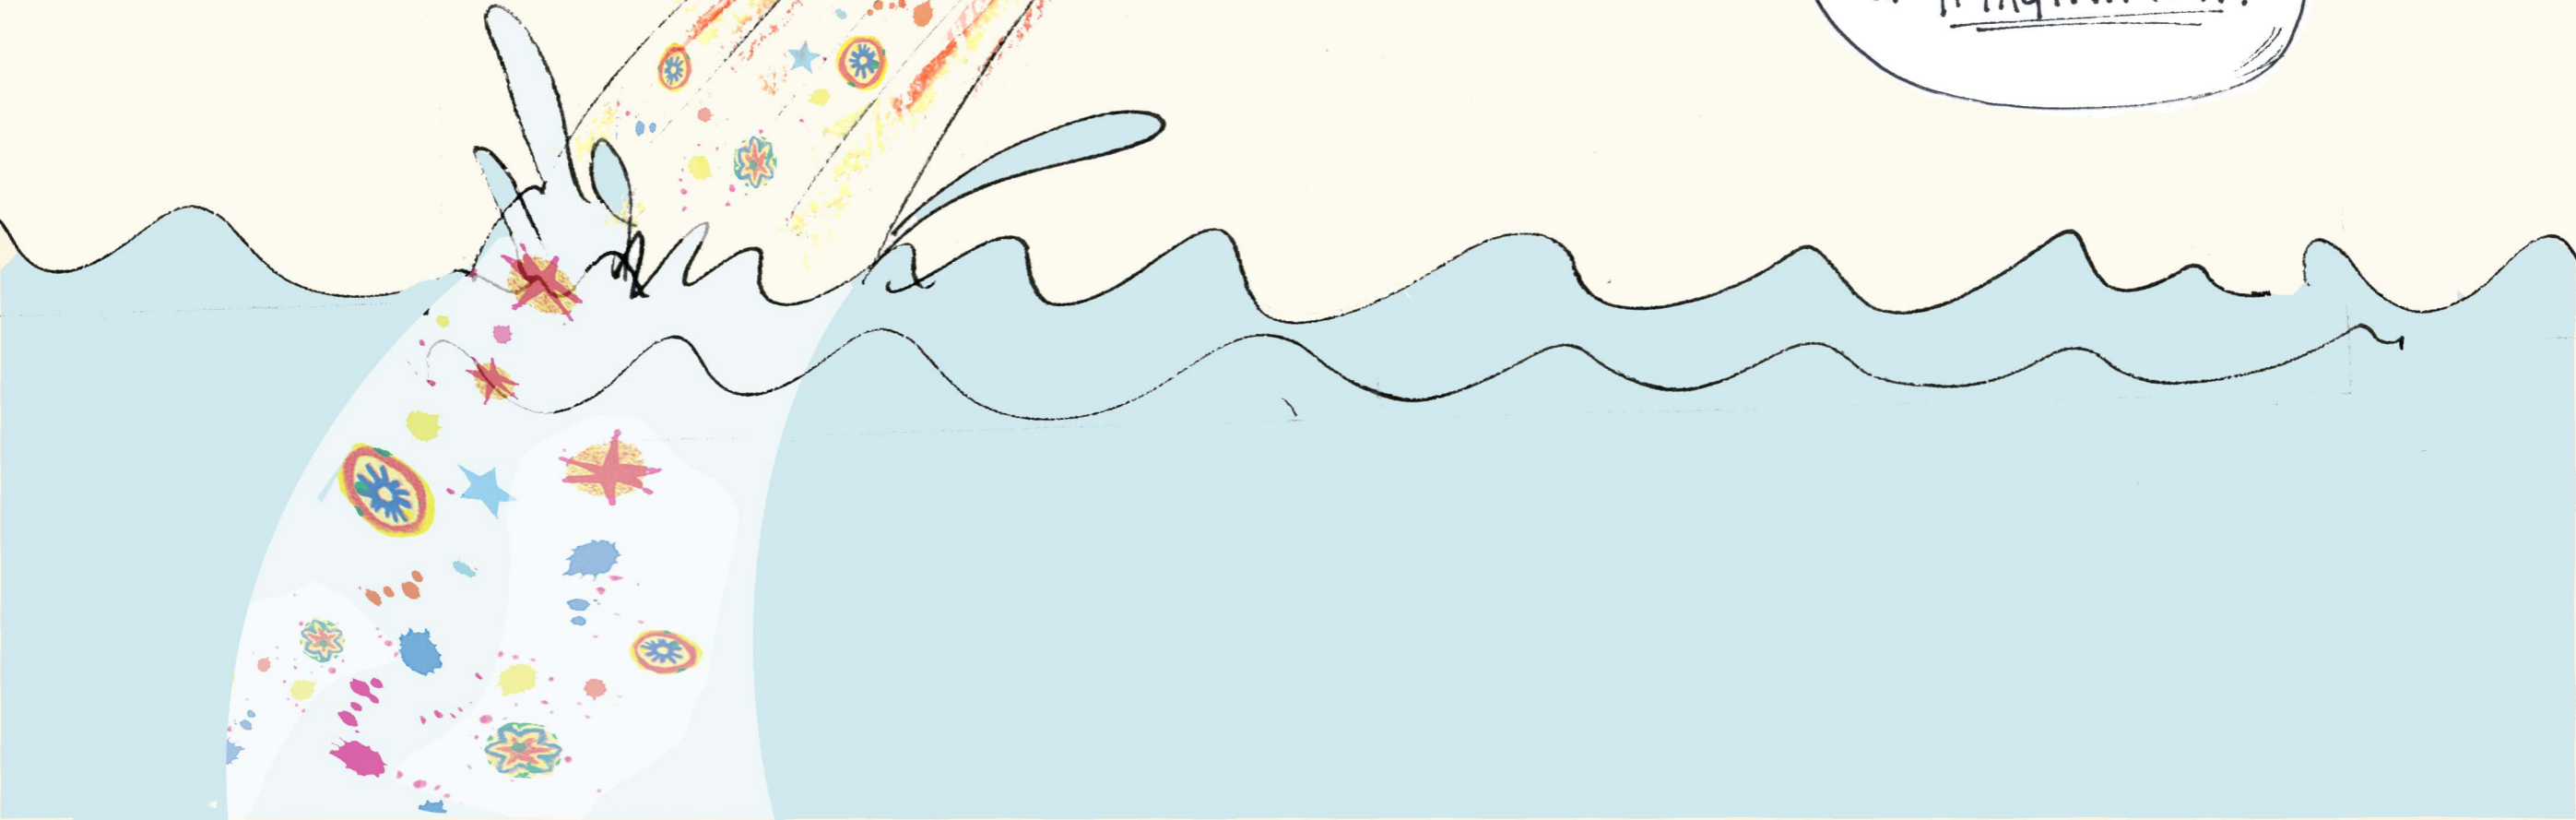

Wwoooooo.....sssskkk!

Hooray!!

We're using
our IMAGINATION!

Look! The end
is in sight!

Woo-hoo!

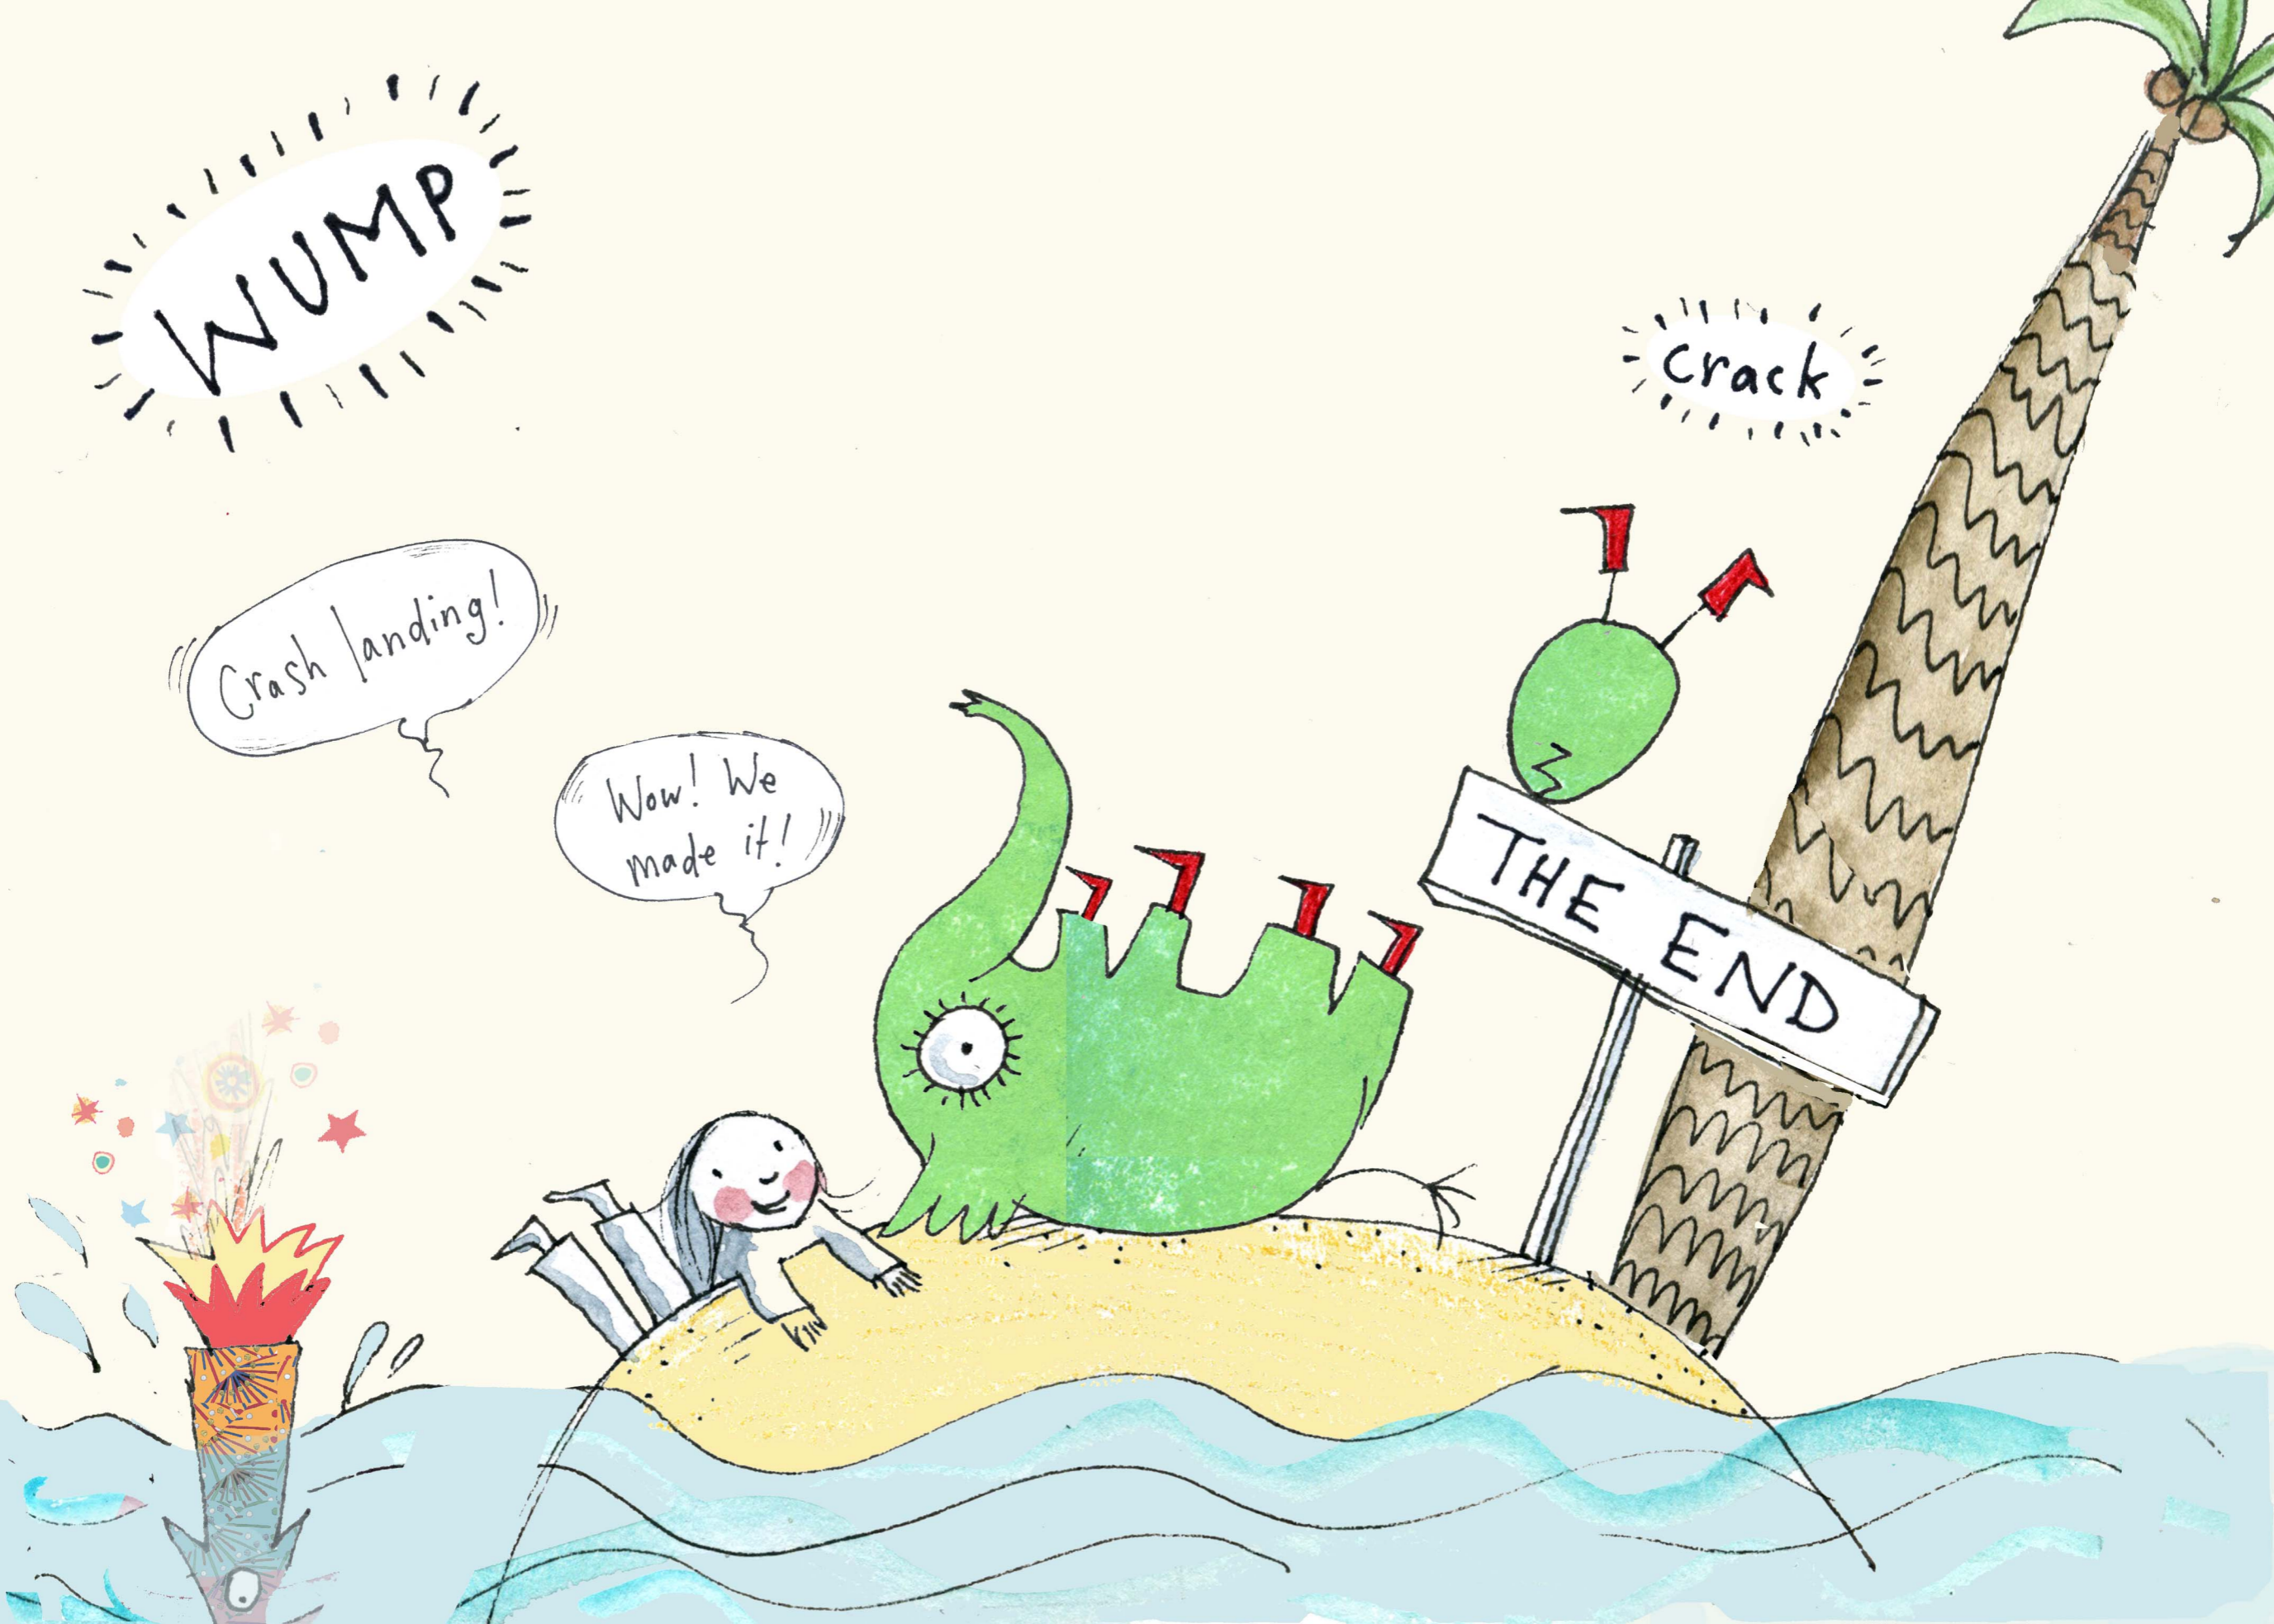

WUMP

Crash landing!

Wow! We made it!

Crack

THE END

Aw... it's a
happy ending.

THE END

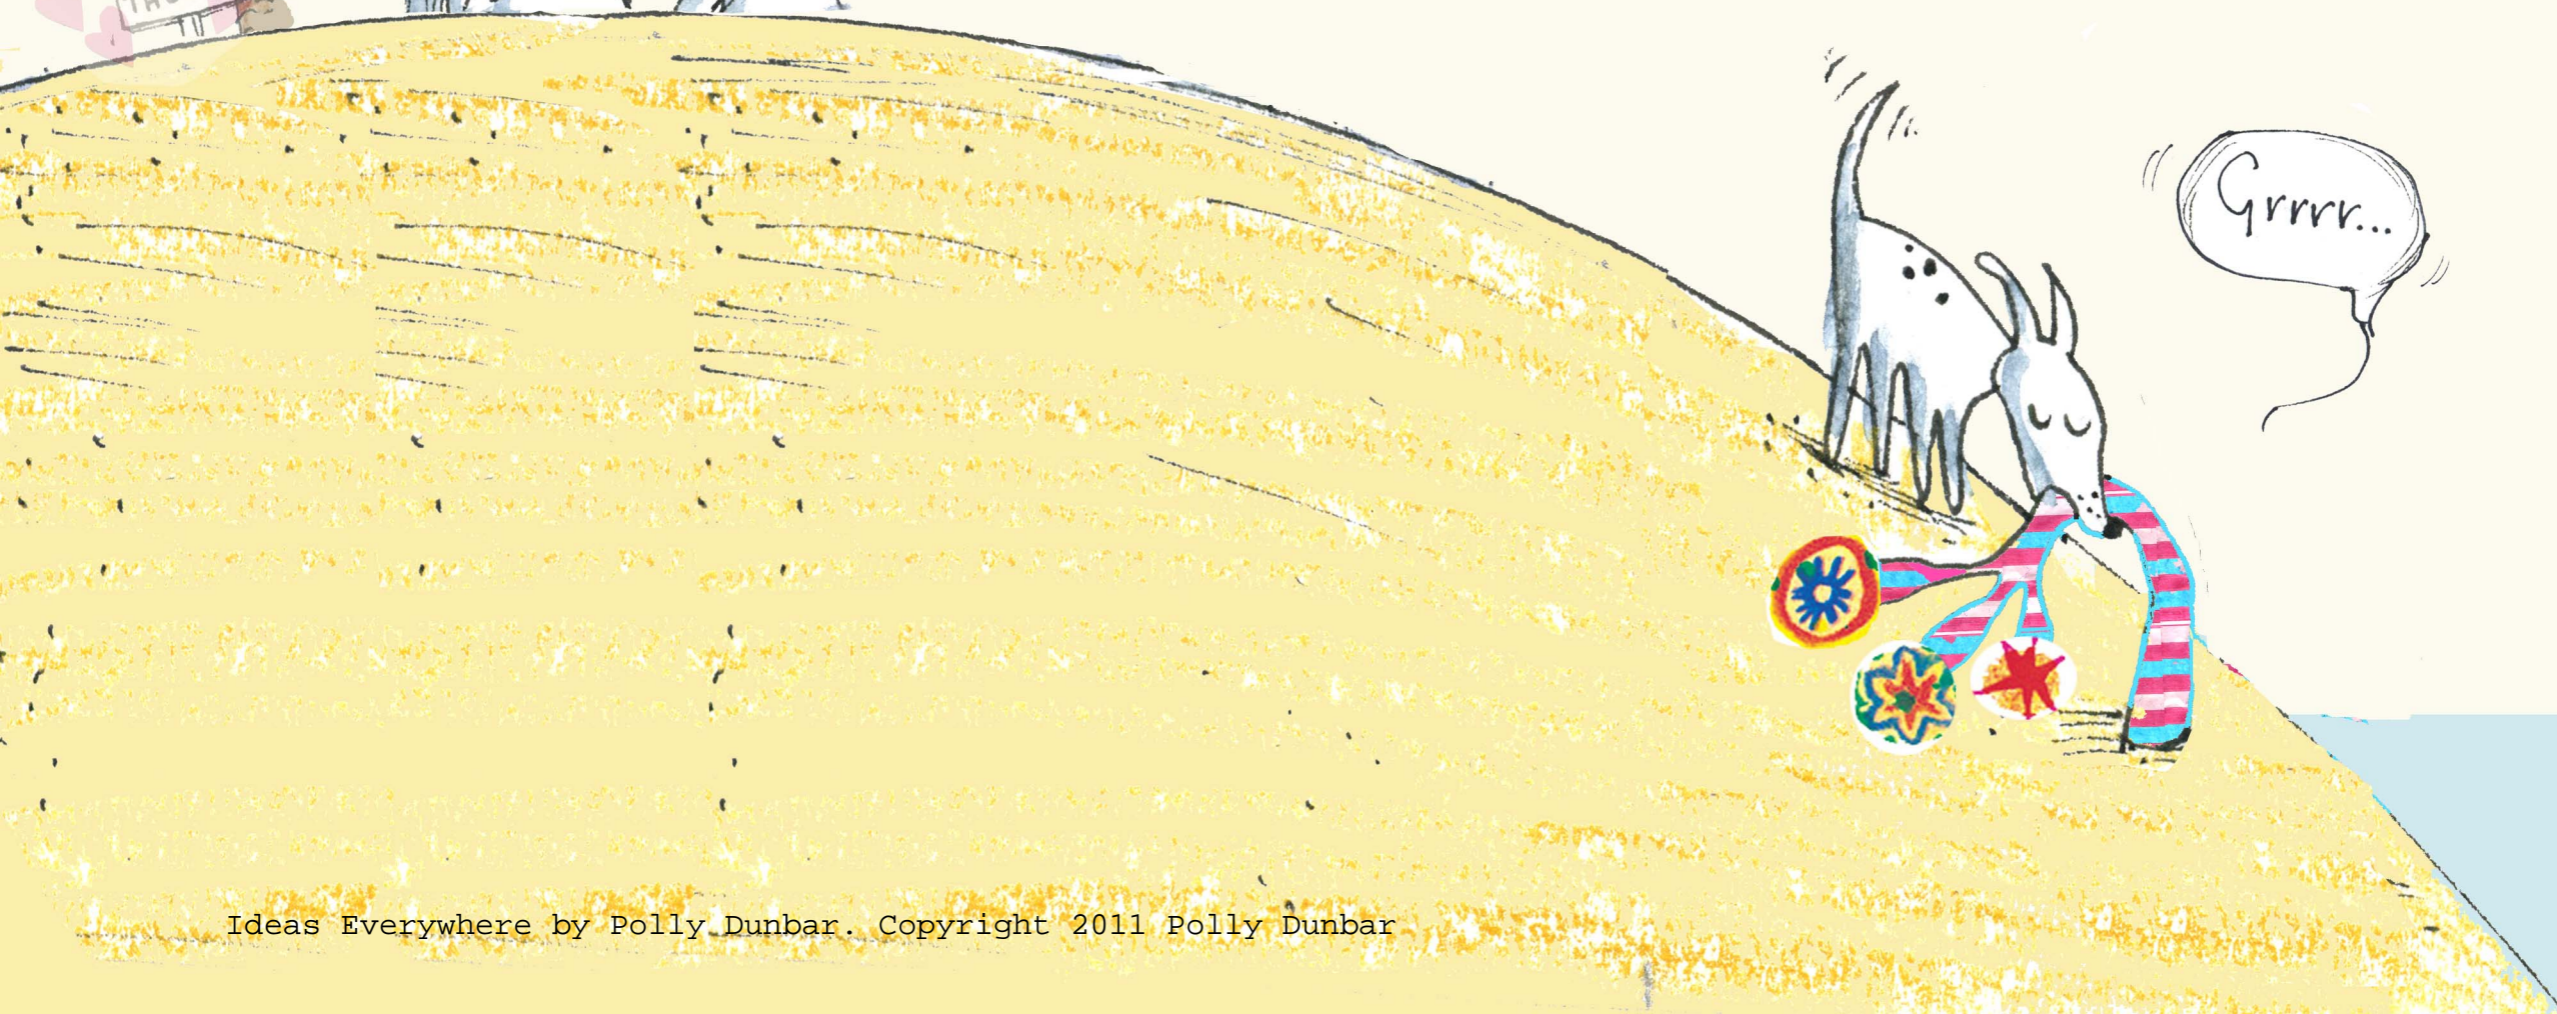

Grrr...

Look! He's got another idea.

Uh-oh. Here we go again.

Grrrrr...
