

Ble mae'r ddafad?

Cyfarwyddiadau

Mae llawer o ffyrdd difyr i chi ddefnyddio'r cardiau i siarad â'ch plentyn am rifau, siapiau, meintiau a lliwiau. Gyda'ch gilydd gallwch chwarae'r gemau yn y tŷ neu yn yr awyr agored.

Os ydych chi'n mwynhau'r gweithgareddau hyn, neu os hoffech chwilio am bosau eraill i'ch plentyn, mae rhagor ar gael ar ein gwefan: booktrust.org.uk/cy-gb/poridrwestori

10 gêm llawn hwyl i'w chwarae gyda'ch gilydd

Rhowch y defaid mewn trefn, o'r lleiaf i'r mwyaf.
Rhowch y defaid mewn trefn, o'r mwyaf i'r lleiaf.

Chwiliwch am bob dafad sydd mewn triongl, sgwâr, petryal, cylch a diemwnt.

Allwch chi ddod o hyd i bob cerdyn gydag eilrif?
Allwch chi ddod o hyd i bob cerdyn gydag odrif?

Allwch chi drefnu'r cardiau o 1 – 10?
Allwch chi drefnu'r cardiau o 1 – 20?
(e.e. $10 + 4 = 14$)

Dewiswch ddau gerdyn (neu mwy).
Beth yw'r rhif ar ôl adio'r ddau rhif?
Dewiswch rif, a chwiliwch am gardiau sy'n adio i roi'r cyfanswm hwnnw.

Oes yna ffordd arall o drefnu'r cardiau?
Meddyliwch am liwiau, neu sawl ochr sydd gan y gwahanol siapiau.

Chwaraewch gêm o snap gydag ochr lliw, siap a maint y cardiau.

1. Rhowch un pecyn o gardiau (1 – 10) ar y bwrdd gyda'r defaid yn wynebu i lawr, eu troi o gwmpas a chymysgu eu trefn.
2. Gofynnwch i'ch plentyn droi dau gerdyn drosodd ar yr un pryd.
3. Os yw'r defaid ar y cardiau yr un maint, gall eich plentyn eu cymryd oddi ar y bwrdd a'u cadw. Os yw'r maint yn wahanol, rhaid eu rhoi yn ôl ar y bwrdd.
4. Bydd angen i'ch plentyn barhau i godi dau gerdyn ar y tro nes y bydd wedi dod o hyd i'r parau i gyd, a bod dim cardiau ar ôl ar y bwrdd.

Mae hyn yn datblygu cof y plentyn, wrth iddo/iddi geisio cofio ble ar y bwrdd mae'r defaid o wahanol faint.

Dewiswch unrhyw ddau gerdyn. Tynnwch y rhif lleiaf allan o'r rhif mwyaf.
Beth yw'r ateb?

Beth am gael hwyl yn dyfeisio gemau newydd!

There are lots of fun ways you can use the cards to talk about numbers, shapes, sizes and colours with your child. Together you can play the games inside or outside. If you enjoy these activities or want to challenge your child even more, you can find additional ideas on our website booktrust.org.uk/poridrwystori

Hide and Sheep

Instructions

10 fun games to play together

Put the sheep in order of size from smallest to biggest.
Put the sheep in order of size from the biggest to the smallest.

Can you find all the sheep in triangles, squares, rectangles, circles and diamonds?

Can you find all the cards that have even numbers on them?
Can you find all the cards with odd numbers on them?

Can you order the cards from 1 – 10?
Can you order the cards from 1 – 20?
(e.g. $10 + 4 = 14$)

How else can you arrange the cards?
Think about colours or how many sides the different shapes have.

Pick up any two (or more) cards.
What do the numbers add up to?
Pick up a number and find cards that add up to that number.

Play a game of snap with the colour, shape and size side of the cards.

1. Lay one pack of cards (1 – 10) on a flat surface with the sheep face down. Shuffle them around so that they're no longer in order.
2. Ask your child to turn over two cards at a time.
3. If the sheep on the front are the same size, they can keep the cards. If the sheep are different sizes, then they have to place them back face down.
4. He or she needs to keep picking up two cards at a time until they've found all the pairs and there are no cards left on the table.

This game helps to build your child's memory and concentration as they start to think about where on the table different-sized sheep are.

Pick up any two cards.
Subtract the smallest number from the largest.
What is the answer?

Have fun making up some of your own games!
