

JASMINE RICHARDS

THE MYTH KEEPER

ACTIVITIES

ACTIVITY #1

RESEARCH A GOD

In their quest to find The Myth Keeper, Buzz and Mari meet gods and goddesses from all over the world, including the jungle spirit El Tunchie, Gu, the Fon god of iron and war. And finally, Priparchis, the Slavic god of piglets.

But what other gods are out there?

Find a book or head to the internet (with your grown-up's permission and supervision) and try to discover another mythical creature you haven't heard of before, perhaps one on the other side of the world!
