Pori Drwy Stori

SPRING TERM RESOURCE

Pori Drwy Stori Hide and Sheep: Teacher Guide

The resource

The **Hide and Sheep** game helps support children's numeracy skills. All **Reception children** in Wales receive the resource as part of the Pori Drwy Stori programme run by **BookTrust Cymru**.

You'll receive a pack of **Hide and Sheep** cards for each child to keep. These can be used through the **spring term**.

Benefits at home

The **Hide and Sheep** cards can be used in class and at home. Encouraging parents and carers to use the cards at home can have many benefits:

- Families enjoy playing together
- Increases parents and carers confidence
- Demonstrates the value of games
- Encourage children to lead activities
- Easy to play at all times and places.

Top tips

- **Play games with the cards in school before the cards go home.** There are activity ideas inside the pack. Children can then explain the games and play them with their families.
- **Use the Hide and Sheep cards to explore** number recognition, size, shape, sequencing, positional language, and odd/even numbers.
- **Communicate to families that Hide and Sheep is part of Pori Drwy Stori**, a home-school learning programme run by BookTrust Cymru.
- **Encourage parents and carers to play with the cards at later points in the year** to help support classroom learning around numeracy.
