Amser Rhigwm Mawr Cymru Big Welsh Rhyme Time

Words and Rhyme

Gan / By Connor Allen

Words can be magical
And words can have power
Words are what you follow when you're singing in the shower

The magic with words is that they have the ability to rhyme

But they can't rhyme all of the time

You have to pick the right ones

Because rhyming can be gorgeous and fun
Rhyming is something you can do with a loved one
It doesn't have to be hard, complicated or tricky
You can even do it over a cuppa and a chocolate biccyy

So even when outside is wet, damp and glum
And you look up to the sky and there's not a glimmer of sun
Just remember that words and rhyming can always be fun
