

Autumn term resource

The Pori Drwy Stori The Unicorn's Challenge: Teacher Guide

The resource

The Unicorn's Challenge helps support children's literacy and numeracy skills. The magazine includes games, puzzles and rhymes. The activities provide opportunities for families to have fun learning together. All Reception children in Wales receive the resources as part of the Pori Drwy Stori programme run by BookTrust Cymru.

You'll receive **Unicorn's Challenge** magazines for each child moving from Reception to Year 1 to keep. These can be used during the **autumn term in school and at home.**

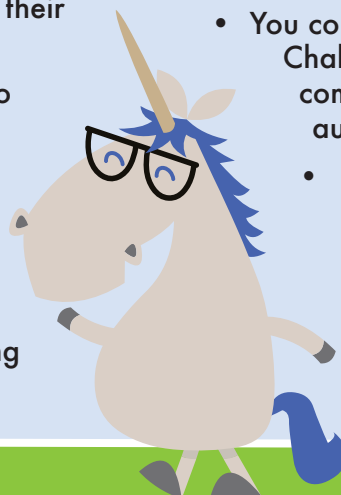

Benefits of using at home

The Unicorn's Challenge can be introduced in class and used at home. Encouraging parents and carers to use the magazine at home can have many benefits:

- Provides fun opportunities for families to read, talk and play together
- Demonstrates the value of games in developing early literacy and numeracy skills
- Supports fun and child-led learning at home
- Families can re-visit rhymes and songs from Pori Drwy Stori and have fun with new ones.

Tips for Teachers

- Build excitement about receiving the magazine by playing some of the games in school before the magazines go home. Children can then explain the games and play them with their families.
- Use The Unicorn's Challenge in class to practice and develop the literacy and numeracy skills children have learnt in Reception.
- Communicate to families that The Unicorn's Challenge is the final resource they will receive as part of Pori Drwy Stori, a home-school learning programme run by BookTrust Cymru.
- Encourage parents and carers to play their favourite activities again with their child. Other family members can join in too!
 - You could use activities from The Unicorn's Challenge as fun tasks for children to complete with their families over the autumn term.
 - Encourage children to bring the magazine into school when they start Year 1, to talk about the activities they are doing at home with their classmates and teacher.

Awgrymiadau i Athrawon

- Ewch ati i greu cyffro ynglŷn â'r cylchgrawn trwy chwarae rhai o'r gemau yn yr ysgol cyn i'r cylchgrawn fynd adre. Gall y plant yna esbonio'r gemau a'u chwarae gyda'u teuluoedd.
