Bore Da /Good Morning Busy Little Bee

Good morning little busy bee!
You're up early, just like me
Buzz buzz buzz....
You're up early – just like me

My friend, I've lots of work to do.
I gather pollen the whole day through
Buzz buzz buzz....
I gather pollen the whole day through

Hey little bee, can you tell me this
Why are the flowers so full of bliss?
Buzz buzz buzz.....
Why are the flowers so full of bliss?

Because my work helps them to grow
It makes them happy, and do you know
Buzz buzz buzz.....
It makes them happy, and do you know

Then I make sweet, sweet honey
Which you may find quite yummy – Mm Mm! (rub tummy on 'Mm Mm')

One Two Three Four!
Touch the ground
Reach the sky
Fly up high – so high
Five Six Seven Eight!
Steering left
Steering right
Into flowers snug and tight

Clap my feet together clap clap clap clap
Then repeat stopping never! clap clap clap clap

Clap my feet together clap clap clap clap
Then repeat stopping never! clap clap clap Jump!

Bore Da /Good Morning Busy Little Bee

Bore da Wenynen weithgar
Pam rydych chi'n codi'n gynnar?
Mae gyda fi lawer o waith, Gyfaill
Trwy'r dydd rydw i'n casglu pail

Dwedwch wrtha i, Wenynen
Pam mae'r blodau yn edrych mor llawen?
Achos rydw i'n helpu,
planhigion i dyfu.

Ac mae'r plant yn hapus, hapus, (ddwywaith)
Achos rydw i'n gwneud mêl, melys melys (ddwywaith)

Un, dau, tri, pedwar,
rwy'n cyffwrdd â'r ddaear,
codi fy mreichiau,
ac'n hedfan o gympas y blodau.
Pump, chwech, saith, wyth
Llywio i'r dde llywio i'r Chwith.

Clapio fy nwylo clap clap clap
Clapio heb stopio clap clap clap.
