

# Bookstart Corner post-session reflection

This form can be used to assist you in reflecting on Bookstart Corner sessions, as well as helping you to decide which activities you should recommend for the next session. This is purely for your own records and will help you to identify any progress a family makes during the four sessions.

## What level of the Learning Stair did you feel the parent or carer was on?

(This can help you establish if any progress, however small, has been made during the programme.)

- Unaware that they can support their child's learning
- Aware, but lack the skills and confidence
- Practicing skills, but unsure if they are doing it right
- Playing and engaging as a normal part of daily life

## Did the family enjoy the resources?

- Yes  No  Couldn't tell

## Which resource did they enjoy/value the most?
