

Activity 2

Mums, Dads and Carers: Think about a story, poem or book that you remember from when you were little. It could be a fairytale, nursery rhyme or a whole book.

Write the name here:

A story I like is

Ask your child to think about a story they like. What can they tell you about it?
Write the name of their story here:

A story my child likes is

When your child has told you about the story they like, ask them to draw a picture or write about something that happens in it. Encourage your child's efforts and give them lots of time to draw or write something from their story that is important to them. Remember that they are still learning to draw and to write, be patient with them.
