Offerynnau adrodd straeon : Rydyn ni hefyd wedi clywed oddi wrth deuluoedd ei bod hi'n bwysig mynd â'r profiad darllen y tu hwnt i'r llyfr ei hun, felly rydyn ni wedi cynnwys yr offerynnau a'r gweithgareddau a ganlyn i helpu i ddod â'r straeon hyn yn fyw:

- Pyped llaw ffabrig
- 4 o gardiau gweithgareddau a 4 o gardiau rhigymau
- Sticeri straeon i'w rhoi i deuluoedd sy'n cymryd rhan yn eich sesiynau

What's in your pack?

8 books : We've learned that families love to have books that teach their child about the real world and everyday moments in their lives, which is why we've selected the following bilingual books for 1-4 year olds. You can use these in any way you see fit:

- Zeki Goes To The Park
- Busy Garden
- All Aboard: Train
- Dwylo'n Dawnsio
- Rumble Tumble
- Blodwen is a Sheep
- This Little Dinosaur
- How Are You, Bwci Bo?

Storytelling tools : We've also heard from families about the importance of taking the reading experience beyond the book itself, so we have included the following resources to help you bring your stories to life:

- A fabric hand puppet
- 4 activity cards and 4 rhyme cards
- Story stickers to give to families who take part in your sessions
