

# Reading gives children the best chance in life

See here how your money can make a difference:

**£15**

Would give a deaf child a special book pack with books, signing guidance and further advice for parents on sharing stories

**£1000**

Would help 117 families receive personalised help and support through their children's centre to develop a daily reading habit

**£365**

Would enable us to send book packs to 18 children with a disability that impacts on motor skills, which includes a specially created touch and feel book, finger puppets and guidance for parents

*'We got a Bookstart Baby pack when Ben was nine-months-old. One of the books comes everywhere with us, it's like a comfort blanket to him.'*

*Lenka, Mum to Benjamin*
