

Amser Rhigwm Mawr Cymru

Big Welsh Rhyme Time

Words and Rhyme Activity

This activity can be done on your own, with a loved one, with a friend or in a group.
Take your pick!

To begin...

Step outside and pick 5 things that you can see around you.

For example... Grass, Bin, Car, Sky and Tree.

Next, set yourself a timer of 1 minute and see how many rhyming words you can come up with for each word you have chosen.

Then, once the 1 minute is up, move on to the next word in your list until all 5 chosen words have been completed.

Here's an example...

1. **Grass** - Pass, Glass
2. **Bin** - Chin, Hymn
3. **Car** - Star, Far
4. **Sky** - Fly, Bye,
5. **Tree** - See, Free

If doing it in pairs or a group, then the person with the most rhyming words wins and will be crowned the **Champion of Words and Rhyme!**
