Also the sausage said to me that he's finding him and attack the bad wizzard I shouted "can I help you attack him!" he said "OK!" So we walked and walk to find him. ~~Lucky~~ Lucky he brang 2 sword 2 ~~kn~~ knife. Then we found his ~~caste~~ castle so I just ran towards it so as the sausage. Then the bad wizzard jumped out of no where! "OH IS YOU SILLY SAUSAGE." shouted the wizzard. Suddenly ~~to~~ Me and the sausage attack the wizzard. After a while, we won and killed the wizzard then we had a happy ever after.
