

Boris is babysitting
while Monster Mummy goes shopping.
"Yippee!" shouts Boris. "Let's eat Sweeties and
watch telly ALL day!"

Oh no, Boris! That's not what babies like!
I think Boris is going to need your help.
Can you take monster baby outside
to play in the garden...?

Boingng! Boingng!
Boris bounces on the trampoline.
uh-oh! Monster baby's at the
top of the slide. It's too high!
Can you help her slide safely down?

Monster baby
wants to **Boingng** now!
Help her go bouncy, bouncy
on the trampoline too.

oh dear! She's getting a bit hot.
Sit her under the shady tree and give her a drink.

Now Boris is hungry. He dumps
monster baby in the stinky dog-basket
and cooks himself some sausages.

Poor monster baby.
Can you lift her out
and give her a cuddle?

Silly Boris!

Monster baby's hungry too!

Time to put her in the highchair and feed her. Yum! Yum!
Poo - what's that whiffy pong?! Give monster baby a Sniff.
Better get her to the bathroom...
